

# Transform a child's future this June

As passionate supporters of the charity, we wanted to share Jamie's Farm's opportunity to double your impact this June.

Right now, one in five children are struggling with their mental health in classrooms, and tomorrow, some may not even turn up to school. Jamie's Farm provides a lifeline – transformative farm experiences that rebuild confidence, wellbeing, and a sense of purpose. It's truly life changing.

**Donate between 3 - 17 June to see your generosity DOUBLED. Here is how it works...**
