

Transform a child's future this Christmas

As passionate supporters of Jamie's Farm, we know the difference their transformational programme has on young people. By taking part in their Christmas Challenge you'll help more young people like Kotryna realise their full potential.

At 15, Kotryna felt withdrawn and couldn't imagine finishing school. But at Jamie's Farm, though shared experiences on the farm, she formed trusted connections with her teachers, and reconnected with her education. Now, aged 18, she's at university, embracing a future she never thought possible.

**All donations are *DOUBLED* between 2 - 9 December!
Here's how it works...**

Donate between **2 - 9**
December

It's matched via The Big Give
